SUBJECT: FY 07-08 Overall Work Program Amendment 3

EXECUTIVE DIRECTOR'S APPROVAL:

RECOMMENDED ACTION:

Recommend that the Administration Committee adopt Resolution # 08-496-3, approving OWP Amendment 3 and forward to the Regional Council for adoption.

BACKGROUND:

A third adjustment (Amendment 3) is required to add new projects to the FY07-08 Overall Workplan (OWP). As a result of the 2nd quarter progress report and year-end forecast, amendment 3 will not require an increase to the FY07-08 OWP Budget. Amendment 3 consists of the following actions:

Project Additions:

- Harbor Subdivision Alternative Analysis – Partnership with Los Angeles County Metropolitan Transportation (LA Metro). The memorandum of understanding with LA Metro was approved at the Feb 7th 2008 Admin/Regional Council meetings. Action: Add project to current OWP and cash requirement for the remainder of the fiscal year (\$100,000)
- Los Angeles County Congestion Pricing – Partnership with LA Metro. The initiative, both concept and partnership will be presented collectively before the Administration Committee and Regional Council. Action: Add project to current OWP and budget (\$500,000)
- South Bay State Route 1 Corridor Microanalysis, South Bay Cities COG. A new subregional project deferred from the July OWP that was omitted from amendment #2. Action: Add project to current OWP and budget (\$125,000)
- Goods Movement Project Management, SCAG. Project consultant services will support SCAG's goods movement initiatives including the comprehensive regional goods movement, RRTP, pricing initiatives and other related work. Action: Add project to current OWP and budget (\$75,000)

Fund Allocation Revisions:

- Compass Blueprint, SBG
Project previously approved in the July, OWP. Action: increase FTA allocation and reduce local cash match contribution (\$104,628)
- Maglev Alternative Analysis, SCAG
The project scope was revised during the 1st quarter and additional funds are required to complete analytical work. Project will complete by 6/30/2008. Action: Add funds to complete task. (\$56,000)

REPORT

- Multi-County Goods Movement, SCAG. Additional outreach efforts and project management support are required to meet the 4th Quarter objective of the Multi-County Goods Movement maps, draft findings and project lists. Action: Add TDA funds to complete tasks. (\$35,000)

FISCAL IMPACT:

A yearend forecast from the 2nd quarter progress report, revealed that approximately \$940,000 from the current OWP budget will not be expended by the end of the fiscal year. These funds will be reallocated or amended to fund the new projects; resulting in no increase to the FY07-08 Budget.
